Academic Standing and Graduation Requirements

All students in La Salle University's graduate business programs are required to maintain a cumulative scholastic average of 3.0, which translates to an overall G.P.A. equivalent to a B (a B- average is not sufficient). Students whose academic performance falls below this standard are subject to academic review by the Graduate Program

Director, and may be required to withdraw from the program, revise their course of study or repeat specific classes.

Students with a cumulative grade point average below 3.0 are automatically in academic jeopardy whether or not they receive written notification of this status, and regardless of the number of credits earned. Students with a G.P.A. below 3.0 should consult with the Graduate Program Director ascertain any potential actions to improve academic success within the program.

To graduate from a Graduate Certificate Program at La Salle, students must:

- Have a minimum of a 3.0 G.P.A. overall within the program,
- Maintain a "C" or better in all the required courses, and
- Receive no more than two grades of "below" a B- in the MBA program.

Should students:

- Fail a course; they may retake the course by paying the current pertinent tuition. No more than two course retakes are allowed in the program.
- Complete all required courses, but fall below a 3.0 cumulative G.P.A. requirement, they will not be eligible to graduate. In this case, the students may retake up to two courses to improve their G.P.A. to a 3.0 or higher, as long as the total number of course retakes in the program does not exceed two courses.

In extraordinary circumstances, a student may be permitted to earn one additional "C" or retake one additional course at the Graduate Program Director's discretion, as long as all other graduation requirements are met.

Transfer of Credit

Course credit may not be transferred into graduate certificate programs.
