

WOMEN'S STUDIES (WST)

WST 102 Interpersonal Communication

WST 201 Intro To Women's Studies

Using an interdisciplinary approach, this course examines the social construct of gender. It explores the multiplicity of women's voices and of women's histories as expressed through race, class, sexual identity, religious affiliation, and physical disability/ability and explores a range of issues that affect women's lives including work, health, education, family and sexuality.
