

NURSING

Mission Statement

Consistent with Lasallian values, the Mission of the Nursing Program is to provide scientifically based nursing curricula to educate clinically competent, caring, nursing professionals with a commitment to excellence in practice, service, life-long learning, and scholarship.

Department Goals

- Students are competent for baccalaureate nursing practice.
- Students develop holistic practice perspectives for improved client outcomes in a diverse, global society.
- Students demonstrate beginning leadership skills to effect change using evidence-based nursing practice and service to improve the health of society.
- Students are prepared to assume the roles and responsibilities of the nursing profession.
